

# Summer Programme 2018 at MFLC

Dear Parents/Carers,

Following parental feedback majority of our families preferred condensed week. Consequently, please see our Summer Programme below.

**AGTTB2** funding entitlement of hours for 2's are spread over 3 days. The families are offered to bring their children over 3 days from 10am till 3pm. Please note our centre will be providing lunches for the children.

**On Fridays** there will be someone in the office in case of emergencies. You will be able to contact us on 0131 660 6644.

**Centre organised activities and joint activities with other centres** (marked with \*) - for example going to Woodburn park, Butterfly world, Open day at Meadows, BBQ etc, you can find enclosed a sheet at the back to sign up for these activities, which **must be handed back to us by the end of June 2018**. This way we will have a good idea of the interest/numbers when organising our staff/child ratios/transport. We would like to encourage our families to support us during the outings to promote our family learning approach. For some of the events a financial contribution may be required. Please note that if your child does not attend AGTTB2 sessions, parental supervision for any of these activities will be required.

**Toddler peep** - over the summer Toddler peep will be running at the centre between 10am and 11am. This is open to all 2 year olds (creche **may** be available for limited number of children (siblings) and peep session requires parental attendance).

**AGS** - we will be running A good start course (baby massage). Parents will need to sign up through MSS website eventbrite link.

**Support groups** - we will offer for all our support groups to meet once during the summer holiday for an hour to enjoy some coffee and cake and just have an opportunity to catch up.

**Stay and play** - families are welcome to attend our stay and play sessions which will have a different theme every week. This is offered to all families. Parental supervision for the children is required.

**Respite** - the children who currently receive a respite at our centre will be able to continue receive this support once a week. Please however do let us know whether you'll be requiring respite so we can plan ahead our staff/child ratios.

# Summer Programme 2018 at MFLC

Please return this page to us by 29th of June to indicate activities you'd like to attend during our summer programme. The page **must be completed and returned to secure** your child's place on family activities out with the centre.

If transport is needed, please note that for certain outings a financial contribution may be required. This will be clarified nearer the time.
